

CONDITIONS OF ADMISSION/CLINIC VISIT

MEDICAL CONSENT: I agree to the procedures and treatments that may take place on me/patient while a patient in the Hospital/Clinic. These procedures and treatments may include physical exams, laboratory and other tests, x-rays, pain relief, routine/simple nursing, surgical and other medical services, procedures and treatments, and telehealth services. I understand that I am agreeing to receive care at a Hospital/Clinic owned and run by the County of Los Angeles. I understand that Hospitals/Clinics run by the County of Los Angeles may be teaching facilities. I understand and agree that interns, residents, and fellows supervised by an attending physician may care for me/patient. I understand and agree that I may receive care from a physician who does not hold a physician's and surgeon's certificate but who is qualified and certified by the California Medical Board to provide care in a special program as a visiting professor or faculty member. I also agree that medical students, dental students, student nurses, and any other students approved by the Hospital/Clinic may help in, or observe, my/patient's care. I agree that the Hospital/Clinic may use and get rid of any tissue, organ, matter or other item removed from my/patient's body.

PICTURES/VIDEO/AUDIO: I agree that pictures, video or other images, or audio recordings of me/patient may be taken for treatment purposes and for the Department of Health Services' healthcare operations, including peer review, quality improvement, training and education. I understand that under California law I may not film or record a Hospital/Clinic employee without their permission. I also may not share a video, picture, or recording of a Hospital/Clinic employee without their permission.

HOSPITAL/CLINIC RULES: I agree that I/patient will follow the rules and accept that the Administrator/Director of the Hospital/Clinic will be the only person who will decide if Hospital/Clinic rules are being followed. I agree that if I/patient fails to follow the rules, I/patient may be asked to go home or be discharged from the Hospital/Clinic.

NURSING CARE: I understand and agree that the Hospital/Clinic provides only general duty nursing care unless, upon orders from my/patient's doctor, I/patient will be given more intensive nursing care.

MATERNITY PATIENTS: If I deliver an infant(s) while a patient in this Hospital/Clinic, I agree that these same Conditions of Admission apply to the infant(s).

RELEASE OF INFORMATION: I understand that my/patient's health information is protected by state and federal law. Unless the law says it is allowed, a separate form must be signed for the Hospital/Clinic to use my/patient's health information.

USE OF PATIENT INFORMATION TO OBTAIN PAYMENT FOR HOSPITAL/CLINIC SERVICES: I agree that the Hospital/Clinic may share any part of my/patient's records, including the medical record, with someone who is responsible for paying the Hospital/Clinic bill. This might be an insurance company, health care plan or worker's compensation company. If a patient is being treated for alcohol or drug abuse, HIV/AIDS, or mental health problems, special permission may be needed to share this information.

FINANCIAL AGREEMENT: I understand and agree that I am the person responsible for paying the Hospital/Clinic if the patient does not have insurance, at the regular rates and terms of the Hospital/Clinic. If I do not pay and the bill goes to collections, I agree to pay any attorney's fees and collection expenses. If my account is late, I agree that I can be charged interest at the legal rate.

MEDI-CAL/MEDICARE: If I filled out Medi-Cal or Medicare Program forms, I agree that I filled out the forms truthfully. I agree to release information needed to complete this request. I agree to allow payment to be made directly to the County of Los Angeles Department of Health Services and/or Department of Public Health. I agree to pay any leftover charges that I am legally responsible for. I give the rights that I have to payment under Medicare Part A or B for care at Hospital/Clinic, including any physician services to Hospital/Clinic.

ASSIGNMENT OF INSURANCE BENEFITS: I agree to allow patient's insurance company to pay the County of Los Angeles directly. This includes Medical Groups associated with the County. I agree to pay any leftover charges not paid by the insurance company.

PERSONAL VALUABLES IN THE HOSPITAL: I understand that the Hospital has a safe for money and valuables. The Hospital is not responsible for money or valuables that are not put in the safe. If I do not put money or valuables in the safe, they may be stolen or lost. I understand that I should leave my money and valuables at home. I understand that the Hospital is only responsible for up to \$500 worth of lost/stolen items in the safe, unless I have a receipt from the Hospital for a larger amount.
